ANNEXURE II – BY-LAWS (RULES) of FISHING DIVISIONS

Section 1 CHARTER BOAT DIVISION

1.1 Charter Trip Notices

1.1.1 Further to the aforementioned section relating to 'Trip Notices & Notices to Attend', charter trip notices shall include time, place and cost.

1.2 Charter Trip Fees

1.2.1 The Club is liable for full charter fees once the charter booking has been confirmed with the Charter Operator, whether or not the charter is fully subscribed unless of course, the Charter Operator cancels.

1.2.2 Trip Fees are to be set by the Charter Captain in consultation with the Committee and within Club guidelines and policies.

1.2.3 Trip Fees are generally for the charter boat hire only.

1.2.4 Unless otherwise stated, trip fees do not include fishing gear, bait, food, drinks, clothing nor transport to or from the charter.

1.2.5 Trip fees shall ordinarily be paid direct to the Club's bank account with your name and charter description in the reference. Please note, that the risk of not being able to attend is born by the payee at the time of payment.

1.3 Charter Bookings & Confirmations

1.3.1 Interested persons shall express their interest to the Charter Captain (or delegated Trip Captain) who shall keep an 'Interested List'.

1.3.2 Those on the 'Interested List' will be transferred to the 'Confirmed Crew List' as soon as payments are received. Once a charter is fully subscribed, names on the 'Interested List' will be considered as Reserves who may be contacted to fill last minute or unavoidable vacancies.

1.3.3 The 'Confirmed Crew List' shall generally be in the order of trip captain after which, priority as 'Confirmed Crew' will be given to members in the order of receipt of payment by the Fishing Club. However, the Charter Captain may amend with the aim of being fair and reasonable in considering recent attendances, cancellations (eg. due to weather) and unforeseen circumstances. Reserves (Members) who are unable to be placed on a Trip, shall ordinarily be considered for priority for the next scheduled trip, otherwise the one after.

1.3.4 If a charter is over-subscribed by payees on the 'Confirmed Crew List', it shall ordinarily be a case of 'first-in best-dressed', and if that is not obvious a ballot shall be held to decide the attendees. The Charter Captain (or delegated Trip Captain) shall conduct any ballot and their decision shall be final.

1.4 Charter Cancellations & Non-Attendance

1.4.1 If the Charter Operator cancels, for example due to adverse weather, applicable refunds shall be made to payees or, if the payee prefers, held over for a future charter trip of their choosing subject to availability. The Charter/Trip Captain shall ordinarily communicate any such cancellations via the Club's electronic calendar and any other practical means.

BY-LAWS of CASTLE HILL RSL FISHING CLUB (the 'Club')

- 1.4.2 If a Confirmed Crew member cancels, then they shall not be entitled to a refund unless a replacement can be found. Whilst every effort will be made to assist with contacting reserves or finding a replacement, if a replacement cannot be found, the Member/Guest shall remain liable for the full Trip Fee. In being commercially responsible and with the broader membership in mind, there shall be no expectations of exceptions for personal circumstances (including ill-health). Any disputes can be put to the Committee.
- 1.4.3 Note however, a Confirmed Crew may transfer their position to another person, with the approval of the Charter/Trip Captain, in which case, they shall liaise with the new position holder for any payment.
- 1.4.4 Any Confirmed Crew literally 'missing the boat' will be liable for the full Trip Fee.

1.5 Charter Trip Operations and Participation

- 1.5.1 The Boat Captain (commonly the Charter Operator) is responsible and therefore in overarching control of the boat and operations within.
- 1.5.2 The Club's nominated Trip Captain shall otherwise be in control from a Club perspective and attendees shall abide by all reasonable directions.
- 1.5.3 Juniors:
- Juniors must be at least ten (10) years of age.
 - Juniors must be supervised by a parent or guardian who is responsible for their good conduct and care.
 - Juniors must not comprise more than two (2) Juniors on a Charter. The Charter Captain may vary the number of Juniors attending a Trip under special circumstances.
- 1.5.4 Attendees are to take precautions against sea sickness because trips will not be prematurely ended for this reason alone.

1.6 Charter Boat Protocols

- 1.6.1 Fishing Positions on the Charter Boat shall be worked out between the attendees or, if necessary, shall be assigned by the Charter/Trip Captain.
- 1.6.2 Disabled persons may approach the Charter/Trip Captain for a particular position on a Charter boat.
- 1.6.3 Guests and Juniors shall ordinarily be positioned next to the Member inviting them or the parent or guardian supervising them.
- 1.6.4 Once Fishing Positions are determined, attendees are to ordinarily fish the whole trip in the position they were allocated or move by agreement.

1.7 Charter Fishing Rules

- 1.7.1 Unless advised otherwise by the Boat Captain, all attendees must fish with the same rig of leader, hooks and weight as nominated by the Boat Captain.
- 1.7.2 Attendees are not permitted to fish with more than one (1) fishing line at a time rigged with no more than two (2) hooks only.
- 1.7.3 Attendees are not to leave their line unattended whilst it is in the water. When not in use, all fishing tackle is to be safely secured.
- 1.7.4 Fish caught while trolling are ordinarily not eligible for points, however the Charter/Trip Captain may allow for special trips or occasions.
- 1.7.5 If a line goes 'light' or 'slack', the attendee is required to wind their line in because slack line potentially tangles other lines.

BY-LAWS of CASTLE HILL RSL FISHING CLUB (the 'Club')

- 1.7.6 Wire traces, three-way metal swivels and fish oil are not permitted, however the Charter/Trip Captain may allow for special trips or occasions.
- 1.7.7 Fishing lines may only be cast or lowered when okayed by the Boat Captain.

Section 2 SMALL BOATS OFFSHORE DIVISION

- 2.1 For a Trip to be considered an 'official' Trip, at least two (2) vessels must attend and fish with Members.
- 2.2 There must be a minimum of two (2) persons per boat during Offshore Trips.

- 2.4 Members participating in an event are required to advise the Trip Captain of the following:
 - 2.3.1 Confirmation of attendance before each Trip;
 - 2.3.2 Time of entering and leaving the water;
- 2.5 The names of all non-members attending a Trip must be given to the Trip Captain prior to entering the water.
- 2.6 It is the members' responsibility to ensure that their vessel is fully compliant with NSW Government Maritime rules and regulations.
- 2.7 The Member boat owner/ skipper is totally responsible for their own safety and the safety of their crew during any club event.

Section 3 FRESHWATER DIVISION

Section 6 ROCK & BEACH DIVISION
